

The NY State Developmental Disabilities Planning Council (DDPC) is looking for new council members!

What is the DDPC?

The DDPC is a state agency that promotes the inclusion and independence of people with developmental disabilities in all communities in New York. To help us meet our mission, people with developmental disabilities and their family members sit on our Council to share their experiences and shape the projects we create.

INTERESTED IN BECOMING A DDPC COUNCIL MEMBER?

If you are interested in being considered for membership, please fill out the back of this form and submit it to the Council.
